REQUEST FOR ENTRY OF AMENDMENTS
UNDER 37 C.F.R. 1.312

BOX AF
Commissioner of Patents
PO BOX 1450
Alexandria, VA 22313-1450

Applicant gratefully acknowledges the notice of allowance in this case and requests entry of the attached amendment after notice of allowance under 37 C.F.R. 1.312 for the following reasons:

- a) The amendments are needed because they correct an error in the claims. Specifically, claims 211, 220, 221, 223, 224, 229, 230, and 231 refer to "said alkylaryl sulfonic acid" (emphasis added); however, no antecedent basis exists for the limitation. The claims are amended to delete the word "said," and to refer simply to "alkylaryl sulfonic acid."
- b) The amendments do not change the scope of the claims, and do not require additional search or examination;
- c) The claims are patentable for the same reasons underlying the notice of allowance;

- d) The claims were not presented earlier because the error was not noticed until after receiving the notice of allowance.

The requested amendments begin on page 3 of this document.

The commissioner is hereby authorized to charge any additional fees or credit any overpayment to Deposit Account No. 02-0429 (B194-26331), maintained by Baker Hughes Incorporated.

Respectfully submitted,

Paula D. Morris
